# Essential maintenance for optimum performance.

### A. Offshore Angler™ Reel Grease
Formulated to increase casting distance and maintain optimal performance. Apply to bushings, main shaft, crankshaft, and pinion gears. Increases the useful lifetime of your precious equipment. 16 oz. tub.

**$12.99** **65-460-236-00**

### B. Offshore Angler™ Precision Reel Oil
Precision formulated reel oil at just the right viscosity for your premium saltwater reels. Use on worm gears, ball bearings, spool shafts, rotor pins and springs, crankshafts, and oscillating plates. 2 oz. bottle.

**$8.99** **65-460-237-00**

### C. Offshore Angler™ Rod & Reel Cleaner
A premium cleaner and rust inhibitor for use with all fishing tackle. Efficiently removes build-up from internal reel mechanisms. Also for use on rods and other tackle. 16 oz. spray bottle.

**$12.99** **65-460-238-00**

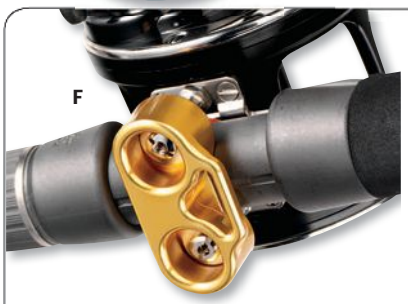
ARDENT® Rule the water.™

### D. Ardent® Reel Guard®
Spray-on corrosion inhibitor prevents salt and mineral buildup. Dries clean with no residue. 16 oz.

**$15.99** **65-260-159-00**

### E. Ardent® Reel Kleen® Professional Parts Cleaning System
Reel cleaning made easy. Sealable container holds cleaning solution and accepts the drop-in parts basket, for a full solvent wash. Includes a brush, cleaning cloth and 8 oz. bottle of solution—enough for 5–6 cleanings.

**$34.99** **65-260-158-00**



### F. Lead Masters Reel Clamps
Heavy-duty design for those epic-scale fights. Made of anodized machined-aluminum in sizes that will fit virtually any reel. Large clamps feature an eye that's useful with a lanyard and doubles as a hook keeper. Fits Penn®, Daiwa®, Shimano®, Newell®, and many other reels.

| Item | Model | Color | Fits Reels | Price |
